# The Society for the Scientific Study of Sexuality

[www.sexscience.org](http://www.sexscience.org)

## Background & History

Founded in 1957 to encourage the rigorous systematic study of sexuality.

SSSS is a non-profit professional membership organization home to a diversity of professionals including, but not limited to sexologists, psychologists, health care professionals, educators, researchers, and therapists represented by its members, conference participants, and journal authors.

SSSS has a strong commitment to “the next generation” through the support of a vigorous student membership program, recognition of student research and presentations.

SSSS’s award program recognizes professional excellence, public service and service to The Society.

A broad range of committee activity provides numerous opportunities for the involvement of members.

## Membership Benefits

### Publications

- ***The Journal of Sex Research:***

A quarterly publication which serves as a forum for the interdisciplinary exchange of knowledge among professionals concerned with the scientific study of sexuality. Recent editions available online.

- ***Annual Review of Sex Research:*** ARSR has become a double issue of JSR, containing 7-10 comprehensive chapters authored by leading experts in the field.

- ***Sexual Science:*** An online newsletter, published four times a year.

### Networking

- ***The Membership Directory:*** The online directory is available to all members each year with customizable search options to network with professionals.

- ***Members’ Only List Serve:*** SSSStalk is an e-mail discussion list for SSSS members to network and discuss topics of interest.

## Conferences and Education

- ***SSSS’s Annual Meeting:*** Held in the fall, this conference presents members with an excellent opportunity to share information concerning their own work and to update their knowledge through attendance of plenary, concurrent, and Continuing Education sessions. Members receive a reduced registration fee.

- ***Regional Organizations and International Memberships:*** Regional sub-units of SSSS sponsor a conference each spring, and support several chapters and/or local activities. Members receive reduced fees.

## Experts

- ***What Sexual Scientists Know:*** Brochures that communicate sexuality research findings to broader communities, authored by world-renowned experts.

- ***Mentoring Program:*** Members are paired with students and other professionals to aid in career navigation.
