The ANNUAL REVIEW OF SEX RESEARCH Volume 15

An Integrative and Interdisciplinary Publication of
The Society for the Scientific Study of Sexuality

Each volume of the *Annual Review* contains 7-10 comprehensive chapters, authored by leading experts in the field. The articles synthesize recent theoretical and research advances in specific topical areas. Over a five-year period, most of the major topic areas of sexuality research will be covered. The *Annual Review* is an important resource for those who wish to remain current in the widely diverse areas encompassed by the scientific study of sexuality.
